

# AMENDMENT No. 2

TO COMMERCIAL LEASE CL-2024-118 — PARKING CHARGES

**Effective Date:** 1 September 2025

**Parties:** Rheinland Property Holding GmbH ("Landlord") and Nimbus Software GmbH ("Tenant")

## 1. Purpose

---

Following refurbishment of the building garage, the parties agree to revise the parking arrangements previously set out in the Lease and the Side Letter dated 15 February 2024.

## 2. Parking Charge

---

2.1 Effective 1 September 2025, parking is **no longer free of charge**. The Tenant shall pay **EUR 80.00 per space per month**.

2.2 The Tenant retains its **eight (8) parking spaces** as granted by the Side Letter. Accordingly, the additional monthly parking charge is  $8 \times \text{EUR } 80.00 = \text{EUR } 640.00$  per month.

## 3. Interaction with Side Letter

---

3.1 This Amendment modifies only the **cost** of parking. The Tenant's entitlement to eight (8) spaces under the Side Letter remains unchanged. To the extent the Side Letter states that parking is provided "at no additional charge", that wording is **superseded** by this Amendment.

## 4. No Other Changes

---

4.1 All other terms of the Lease (as amended) remain in full force and effect.
